STATEWIDE CURRENT SITUATION: NWS storm survey teams confirmed a high-end EF-3 tornado event occurred in southern Bell County Tuesday evening near Salado. Preliminary maximum winds were estimated near 165 mph. Additional details will be forthcoming as the survey work continues. The Fort Hood Tornado occurred over an inaccessible and undeveloped part of the military reservation in southern Coryell County Tuesday afternoon. The tornado was rated as an EF-Unknown. It tracked nearly 4 miles. No known damage occurred. NWS storm survey teams have also determined an EF-0 tornado impacted the eastern part of Bell County near the town of Seaton. The tornado tree damage consistent with maximum winds of 75 mph.

On April 12, Governor Abbott directed the Texas Division of Emergency Management (TDEM) to prepare additional state resources for mobilization as Texans face critical-to-extreme wildfire weather conditions in the Western half of the state and severe storm threats in the Eastern half of the state. The Texas State Emergency Operations Center (SOC) is operating at Level II: Escalated Response in support of severe weather and wildfire response.

[On April 13, Governor Abbott issued disaster declarations for Bell County and Williamson County in response to severe weather that impacted the communities overnight on April 12. The storm produced heavy rain, large hail, damaging winds, and multiple tornadoes.](#)

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

Wood County: Reported major power outages due to trees/lines down.

Region 6 (Includes DDCs 11, 12, 17, 18A, 18B, and 23)

DDC 12 Austin

Williamson County: Tornado touched down near the City of Florence and City of Jarrell. The Williamson County Office of Emergency Management received reports from Sheriff's Office deputies of two separate possible tornadoes in Williamson County. [Governor Abbott Issued a Disaster Declaration.](#)

DDC 23 Killeen

Bell County: Confirmed tornado east toward IH-35, City of Salado. Reports of significant damage Cedar Valley Road and FM 2843. 61 structures have been reported damaged from the storm throughout the county. The Salado tornado was classified as a high-end EF-3. [Farm-to-Market Road \(FM\) 2843 has been cleared of all roadway/right of way debris. All regulatory signage is in place and open to all public traffic as of 7:30 PM, Thursday. TxDOT resources are off the incident as of 7:30 PM, Thursday. Bartlett Electric Cooperative completed reconstructing the three phase distribution supply lines and re-energized a large portion of that circuit at 5:00 PM, Thursday. There are approximately 100 meters currently still out of service, a majority of those are from homes unable to be connected due to damages incurred from the storm. Bartlett Electric Cooperative will return Friday to complete their remaining connections with an estimated time of restoration of 5:00 PM. VOAD, COAD coordination continues with Bell County and TDEM DRTF staff. The County Judge has paused the donations management operation until next Monday. VOAD, COAD groups have been authorized to move into the impacted areas to directly assist home/property owners starting Friday morning now that the roadway is clear and safe. As of Friday, 2:00 PM, all state resources and staff will be off the incident site and operations have been turned over to Bell County Office of Emergency Management \(OEM\).](#)
